

Saturday July 21<sup>st</sup>, the Illinois Bass Anglers held their eighth annual Kid's Fishing Day on the grounds of the Bolingbrook Hall. Drenching rain couldn't keep the die-hard young fishermen and women from having a great time. Although not every child caught a fish, they were all winners. Every participant received a tackle pack filled with baits as well as a prize of their choice from a table full of rods, reels and tackle boxes. The rain stopped long enough for every participant and their families to enjoy lunch of hot dogs, chips, fruit snacks and a beverage.

Congratulations to Tristyn Valentine and Jackson Karas for catching the largest fish in both the girls and boys division. Tristyn and Jackson both received new Zebco Rod and Reel combos for their winning catch.

The Illinois Bass Anglers would like to thank the following sponsors for helping make the event a huge success with their generous donations.

Village of Bolingbrook.

Progressive Eye Care.

Bolingbrook Wal\*Mart

Jewel Food Stores.

MinuteMan Press, Joliet

Edward Jones Investments, Joliet office of Michael Murray.

Professional Center of Dental Care, Bolingbrook
